Dedication

"Prof" Almond, as he is affectionately called by all his students, has been a member of the Holmes Junior College faculty since 1931, serving in many varied capacities. His keen sense of humor, his dry wit, his earnest interest in young people and their problems have endeared him to all who have come his way.

It is with great pleasure and genuine affection that we, the Annual Staff, dedicate this, the 1962 edition of HORIZONS, to

MR. R. W. ALMOND

Dear Ma,

Here is a picture of Mr. Branch and his administration. You know Mr. Branch has been the president for as long as most anyone can remember now.

I managed to get pictures of the board of trustees too. They are the people that own the property or something.

Write when you can.

Dear Ma and Pa,

I collected a picture of all the teachers so you can see what I have to face down here.

I'm telling you what they teach so you will know why I take what I do.

They are a good sort, even if Mr. Morris does give us too much home work. And that Mr. Thompson!

Your over worked son,

Holmes Jr.

Graduates

Dear Ma,

Here are the Sophomores and High School Seniors. They're a pretty good group, when you get to know them. I really didn't mean all the bad things I said about the Sophomores, even if I do have to shine their shoes and sweep their rooms. They aren't so bad as I had been told at all. Some of them are from up around home, so I'm showing where they are from for you. I'll bet we have the best looking Senior Class in the state, too.

Your underclassed son,

Holmes Jr.

P.S.

Send money.

One of the highest honors that a Holmes student can receive is to be selected in the Hall of Fame. The six members that are chosen for this honor are selected on the basis of character, leadership, scholarship, and contribution to the promotion and betterment of Holmes Junior College.

Members of the Hall of Fame are selected in a manner which is entirely free of politics. A committee of faculty members selected by the president of the college makes their nominations to the faculty. All of the selections are done by a secret ballot.

Those persons chosen for the 1962 Hall of Fame are Patty Branch, Billy Cagle, Sharron Daniel, Nell McCrory, Polly Terry, and David Thomas.

HORIZONS - GROWL

Goodman, Mississippi

Dear Pa,

Here are some pictures showing the school activities. You remember me telling you about the yearbook and newspaper--the GROWL AND HORIZONS by name.

The student council is the government here among us folks. The students in uniform aren't from the navy, Pa. They are the H.J.C. Band and Starlettes. Now you know what they mean by Liberal Arts.

The choir belongs to the school, too. We think it is better than most of the Church choirs we've heard. Hardy's grandmother is the director.

Cut of wind but

Dear Ma,

Everybody down here is in some kind of organization. We even got a school newspaper and a yearbook to record all the happenings for the year.

And nearly everybody belongs to the YM or the YW 'cause these organizations do a great Christian work on the campus.

There are lots of organizations such as Wesley, B.S.U., F.H.A., Y.W.A., F.F.A. and the like, so everybody gets to take part in some group.

Love,

Holmes, Jr.

P.S. I'm in some of these. My gal is in most nearly all of them.

Phi Theta Kappa is the national honorary fraternity that recognizes scholarship of both men and women students on a junior college level. Membership in Phi Theta is the highest scholastic honor that a Holmes student can hold. Only those persons in the top ten per cent of the college are eligible for membership and members must maintain a "B" average to stay in good standing.

HOLMES JUNIOR COLLEGE

GOODMAN, MISSISSIPPI

Dear Pa,

Here are some of the boys and girls that play games here.

The school owns a cow pasture and a big barn just for them to play. You should come down and see them.

Other schools send their boys and girls over to play on our pasture too. Sometime we run them off and sometime we just let them beat us.

Be sure to send money.

Your pooped son,

Holmes Jr.

The Holmes Junior College Bulldogs ended their gridiron season with a 5-5 record. The Bulldogs were small but mighty. They dropped the first two games although they fought hard and were outweighed by a sizable amount. It took them two games to get really toughened up. They romped over Perkinson 14-0 and went on to give Pearl River, the undefeated team in the conference, a good old-fashion scare even though we lost 14-20. The Bulldogs rolled over Itawamba and Southwest, 22-18 and 20-7 respectively. They lost to East Central 9-20. For the last game of the season they traveled to Northwest where they won with pure strength and will power. The Bulldogs rode home with the victor's cup after a tough night of combat.

BILLY RALPH VAUGHN
Manager

Although the Bulldogs were outweighed in every game they played, they were never beaten by the opponent on the ground. Mike and Clinton Tompkins, cousins, were two good players on defense. "Big Bad John" (Pratt) was an outstanding player on both defense and offense. Peebles played outstanding games and hardly missed a second of play. Mason and Cain were tremendous; Phil Strickland was a good conscientious runner on offense and always pushed up yardage in a tight spot.

Ode Burrell lived up to preseason expectations and made All-American for his work on the Bulldog Team.

Homecoming Night With and Without

Dear Ma,

At last I've managed to get pictures of all the Freshmen. Their hair has grown out some, so you wouldn't recognize them from Sophomores. As a matter of fact, you wouldn't recognize some of them at all. And, after all, the Freshmen take part in everything down here just like everybody else.

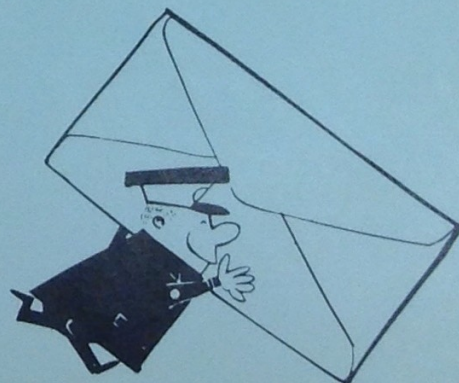

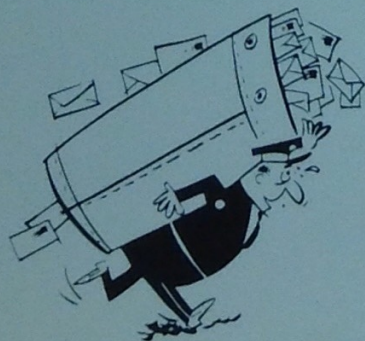

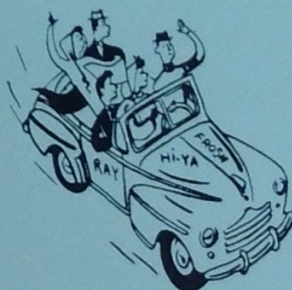

My gal's picture is in here. I suppose by now I done told you 'bout her. We have had a couple of dates. She is blond, and . . . well, you know. She is so busy that about the only time I get to talk to her is when we have a class together.

When you stop laughing at the Freshman Class, you might take a good look at the high school students. They don't look too different from them up around home.

Your son,

Holmes, Jr.

P.S. My picture is in this bunch, too.
